HEALTH AND SAFETY POLICY STATEMENT

Green Bear aims to consistently provide and maintain a healthy and safe working environment for all our staff. We are committed to the prevention of occupational accidents leading to injury and ill health. To achieve this, we endeavour to comply fully and rigorously with all Health and Safety legislation and codes of practice, industry best practices and safe work methods available.

We undertake to provide, so far as is reasonably practicable,

- safe systems of work
- a safe place of work with safe access and exits
- safe plant and equipment.
- safe means of handling and transporting articles, substances and people
- all necessary training, instruction, information and supervision
- a safe and healthy environment adequate welfare facilities

Green Bear is committed to continuous improvement in the management of Health and Safety and through the implementation of this Policy aims to improve its occupational health and safety performance and achievement of the following objectives:

- To identify all hazards associated with our activities and ensure that risks are eliminated or controlled to a level which is as low as reasonably practicable.
- To consult with our employees on matters of health and safety and ensure that each employee is aware of their responsibility to take reasonable care of their own and other people's health, safety and welfare and to report any situation which may pose a threat to the well being of any other person.
- To ensure that the manner in which we carry out our undertaking does not affect the Health and Safety of non-employees, including contractors and temporary workers, visitors and members of the public who might be affected by our operations.

This health and safety policy will be continually monitored and updated as and when required, and particularly when changes in the scale and nature of Green Beare's operations occur.

Mr Junior Z Beare
Managing Director

This Policy is subject to review every two years from the date of issue
