QUALITY POLICY STATEMENT

Green Bear carries out tree-work, arboriculture, consultancy, hazard analysis, and vegetation management. Our mission is to excel in the provision of arboricultural services for customers through cost-effective, high-quality tree-work based on extensive professional experience and continuous improvement.

Established in 2015, we are an independent company, and have a track record of success in providing tree-work services for local authorities, property management firms, utilities, and domestic customers. Green Bear is an approved Which:Trusted Trader and are committed to working towards continuous improvement. Additionally, we are NTPC certified and hold a National Award in forestry and arboriculture.

We employ trained, dedicated and enthusiastic tree-work staff who can handle any form of tree-work using modern plant, equipment and machinery. The company encourages continuous personal development, and professional training and competent health & safety performance forming an integral part of the policy. The importance of quality assurance, health and safety at work, and environmental management are communicated to new employees at induction, and regularly addressed via training, toolbox talks, and management meetings.

Junior Beare, Managing Director, ensures that tree-work is managed and monitored to ensure a high standard of quality, health and safety, and customer satisfaction. Junior Beare also ensures that the Quality System is effectively implemented, maintained, updated, and communicated.

Mr Junior Z Beare
Managing Director
